Brief Description of Project/Activity:

We are proposing a folk/country music festival playing at local venues around town with various artist. We will try and get these at minimal cost and local accomodation business will provide accommodation at no cost so hopefully we can get this up and running.I have already made phone calls to some of my contacts in the festival community and they are showing a great amount of interest.

The date of this is yet to be determined.But we are trying not to clash with other events in our near by area

We are also gaining some sponsorship for our local hotels and businesses.

The main reason for this festival is to try and get something going in town to rejuvenate us after the tragic fish kill.

In addition to the above we will spend the \$15000.00 with the following Budget estimate.

\$2500.00 on advertising ,radio,internet and newspapers etc

\$2500.00 on t-shirts,caps and other resaleable items to be sold to generate other income.

\$10000.00 to be spent performers

we also should gain some sponsorship to increase spending on the above items.
