Dear Mr Hill

This is to advise that your council has received its full life of program allocation under the *Roads to Recovery* program. Council has received \$6,431,251 which is the full amount to which your council is entitled under the program. You should however, ensure that quarterly and annual reports are submitted, as per the conditions of the grant.

Annual reports are required each year, even if you have fully acquitted the Roads to Recovery component, because council must supply its audited own source expenditure figure.

If you have any questions about these matters, please contact me on 02 6274 7880.

Yours sincerely

Rachael Walker
