

What is happening?

MODERATE FLOODING IS OCCURRING AT BOURKE

MODERATE FLOODING IS OCCURRING AT LOUTH, WITH MAJOR FLOODING EXPECTED SATURDAY

MAJOR FLOODING IS OCCURRING AT TILPA

MINOR FLOODING IS OCCURRING AT WILCANNIA WITH MODERATE FLOODING LIKELY MID NEXT WEEK

The main flood peak along the Darling River is now at Louth, where a major flood peak is expected this weekend.

Major flooding is occurring along the Darling River at Tilpa where river is expected to peak at the end of January.

River levels at Menindee are likely to remain near the minor flood level until late February due to releases from Menindee Lakes system to make room for the arriving upstream flood waters.

What we are expecting:

Based on the prediction provided by the Bureau of Meteorology:

Bourke

- Moderate flooding is occurring along the Darling River at Bourke.
- The Darling River at Bourke peaked at 12.29 metres early Saturday 15 January and is currently at 11.94 metres and falling slowly, with moderate flooding.
- Floodwater is expected to impact the Bourke - Weilmoringle Road (RLR 49) 16km North of Bourke.
- Dry Bogan Road (RLR42) is closed at Little Bogan Creek Bridge.
- Floodwater is expected to impact Parkdale Road (RLR 22) 3km west of Bourke.
- Kamilaroi Highway (SH29) has reopened with caution between Bourke and Brewarrina.
- River Road (RLR-16) is closed at The Big Billabong.
- Bourke - Wilcannia Road (MR-68) has closed at Jandra Creek, preventing direct access from Bourke to Louth.
- Floodwaters have impacted the southern approach of Deadmans Creek Bridge on the Bourke - Wilcannia Road (MR-68).

Louth

- Moderate flooding is occurring at Louth with major flooding expected.
- The Darling River at Louth is expected to peak around 12.00 metres during Saturday 21 January, with major flooding.
- Louth - Tilpa Road (SH29) is expected to be impacted by floodwater with no access to Louth or Tilpa on the eastern side of the Darling River.
- Floodwater is expected to impact the Louth - Tilpa Road 13km south of Tilpa. Alternate routes may be available via Wilcannia, White Cliffs and Cobar.
- Floodwater is expected to reach the deck level of Talyawalka Bridge.

Tilpa

- Major flooding is occurring along the Darling River at Tilpa.
- The Darling River at Tilpa may peak near 12.30 metres around 29-30 January, with major flooding.
- Tilpa - Wilcannia Road (SH29) is expected to close at Marra Billabong 40kms South of Tilpa Road.
- Tilpa - Wilcannia Road may be closed at Wygilla Crossing.
- Tilpa - Louth Road may be closed at the 1 Mile Creek and 5 Mile Creek.
- Tilpa - Louth Road North of Darling River may be impacted by floodwater near Tallywalka Crossing.
- The 52-Mile Road south to the Barrier Highway may be closed with 900mm of water currently across the roadway.
- Louth-Tilpa Road South of Darling River is closed at Stoney Creek crossing.
- Tilpa - Wilcannia Road North of Darling River is expected to close at numerous locations, including Marra, Mount Murchison Station and Rosedale.
- Floodwater may flow over the Talyawalka Creek Bridge.
- Tongo Road may close 3km North of Tilpa at Boat Hole Creek crossing.
- Tilpa may become isolated by road.
- Tourists and visitors are advised to reconsider travel plans as roads may close at short notice and will isolate travellers and tourists in this area.

Wilcannia

- Minor flooding is occurring along the Darling River at Wilcannia where moderate flooding is likely in February.
- The Darling River at Wilcannia is likely to exceed the moderate flood level (9.70m) around 26 January and may reach around 10.00 metres during the second week of February, with moderate flooding.
- Victory Caravan Park is likely to become inundated.
- Wilcannia - Tilpa Road (SR1) is expected to be impacted by floodwater.

- Wilcannia-Tilpa Road (SH29) is expected to close at Mara Creek, 85 km from Wilcannia.
- Wilcannia - Menindee Road (west side - SH29) is expected to close 10km Southwest of Wilcannia.

Menindee

- Near minor flooding is occurring along the Darling River at Menindee.
- The Darling River at Menindee Town is likely to remain near the minor flood level (8.50m) until late February.
- Floodwaters may inundate low-lying areas of Crick Park at the end of Wilcannina Street.

What you need to do:

- ACT NOW, before it's too late.
- Prepare now to minimise damage to your property and possessions.
- Consider evacuation as an option if severe flooding is predicted. Deciding to remain on your property when it is inundated or surrounded by floodwater can be dangerous.
- Ensure you have a plan to leave the area safely if flooding worsens.
- Stay up to date with information. Listen to flood warnings and follow advice on how to protect yourself, family, and property.
- Tourists and visitors are advised to reconsider travel plans as roads may close at short notice and isolate travellers and tourists in these areas.
- People working or camping along the Darling River should relocate to higher ground.
- Farmers and landholders are advised to relocate livestock, pumps, chemicals and equipment to higher ground. Do not wait until the flood peak approaches.
- Be aware of vermin, snakes and spiders seeking refuge from floodwaters.
- If you become trapped by rising floodwater, seek refuge in the highest part of a sturdy building. Stay there and call triple zero (000) if you need rescue.
- **Never drive, walk or play in floodwaters. Floodwater may be deep, fast-flowing and may contain hidden snags and debris.**

For emergency help in floods and storms, call the NSW State Emergency Service on 132 500.

In life-threatening situations, call triple zero (000) immediately.
