## 6.0 RELEVANT STATUTORY CONTROLS

---

The proposed development is identified as development requiring consent under the provisions of the *Environmental Planning and Assessment Act 1979*. The following is an assessment of the proposal against the relevant provisions of the Act and the relevant planning instruments and policies of Central Darling Shire Council.

### 6.1 Central Darling Local Environmental Plan 2012

---

#### Clause 2.1 – Land Use Zone

The subject property is included within the R1 General Residential zone under the provisions of the *Central Darling Local Environmental Plan 2012*, within which the proposed development is permissible with Council's consent. The proposed development is consistent with the zone objectives, as it is compatible with the existing environmental and built character of a R1 General Residential zone area.

## 7.0 SECTION 4.15(1) OF THE ENVIRONMENTAL PLANNING AND ASSESSMENT ACT 1979

### 7.1 The provisions of any environmental planning instrument - S41.5(1)(a)(i)

---

The proposed development of land is subject to the provisions of the *Central Darling Local Environmental Plan 2012*. It is considered that the provisions of these Environmental Planning Instruments have been satisfactorily addressed within this report and that the proposal achieves compliance with their provisions.

### 7.2 Any draft environmental planning instrument - S4.15(1)(a)(ii)

---

There are no draft Environmental Planning Instruments in force at the present time.

### 7.3 Any development control plan - S4.15(1)(a)(iii)

---

There is no Development control plan for Central Darling Shire Council area.

### 7.5 Any matter prescribed by the regulations that apply to the land- S4.15(1)(a)(iv)

---

No matters of relevance are raised in regard to the proposed development.

### 7.6 The likely impacts of that development - Section 4.15(1)(b)

---

It is considered that this application, which comprises the installation of manufactured homes plus site works is reasonable and achieves the objectives of the relevant planning controls. This is due to the fact that the resultant development is compatible with and will complement the established R1 General Residential zone.

The proposal will have an acceptable impact on the environment and the amenity currently enjoyed by the neighbouring properties. As demonstrated by this Statement, the proposal is appropriately designed having regard to the relevant provisions of the *Central Darling Local Environmental Plan 2012* and Council's Plans and Policies.

### 7.7 Suitability of the Site - Section 4.15(1)(c)

---

The subject site is considered to be suitable in size and will not be affected by the construction of the residential dwellings.

The proposed works will not cause result in development of unreasonable bulk or scale as they are residential dwellings, and will be sympathetic to the local character as demonstrated in the architectural design.

---

This is a matter for Council in the consideration of this proposal.

### 7.9 The Public Interest - Section 4.15(1)(e)

---

The proposal will not unreasonably impact upon the environment, the character of the locality or upon the amenity of adjoining properties and is therefore considered not to be contrary to the public interest.

## 8.0 CONCLUSION

---

This proposal, which includes the installation of manufactured homes and associated site works at 23-25 Cleaton Street, Wilcannia, NSW 2836, and is legally described as Lot 1 in DP 524832 has been assessed against the requirements of Section 4.15(1) of the Act, the *Central Darling Local Environmental Plan 2012* and the relevant Council plans and policies.

As described in this Statement of Environmental Effects, compliance with Council's controls or qualitative objectives has demonstrated that the proposal will not unreasonably impact upon the natural or built environment, the amenity of surrounding properties within the R1 General Residential zone of Wilcannia.

Accordingly, it is our opinion that the proposed development at 23-25 Cleaton Street, Wilcannia, as described in the application, is reasonable and supportable and should be approved by Council under delegated authority.
