

Community Plans Feedback Form

Following extensive community engagement during 2021, Central Darling Shire Council has developed a revised Community Strategic Plan and new Town and District Improvement Plans for all towns and villages in the Shire. These plans are on exhibition until the end of February 2022. Before Council adopts the plans, we'd like to receive any final comments and feedback you have about how we may further improve them.

Please provide your comments below and tick the appropriate box(es) below to tell us which plan(s) you're providing feedback on so that we know where to apply your suggested changes and improvements.
