

Operational Plan and Budget

2023 - 2024

The Integrated Planning and Reporting Framework

As part of the New South Wales Government's commitment to a strong and sustainable local government system, legislation was enacted in October 2009 that introduced a planning reporting tool for local government known as the Integrated Planning and Reporting (IP&R) framework.

The following diagram identifies the various components of the integrated planning and reporting framework and how they are linked to each other.

Documents in the IP&R Framework

STRATEGY/PLAN	PURPOSE	CURRENCY/ EXPIRY
Community Strategic Plan (CSP)	Peak plan providing public, private and non-government agencies, local community and other stakeholders with priority issues to address and goals for achievement in the longer term	10 years
Resourcing Strategy:	Strategy comprising three plans (see below) to ensure Council is able to adequately resource its ongoing activities and operations whilst working towards the CSP's long-term goals	
- Long Term Financial Plan	Plan documenting Council's projected income and expenditure and modelling to ensure long-term financial sustainability	10 years
- Asset Management Plan	Plan providing a comprehensive account of the service standards and maintenance requirements and schedules for all council assets.	10 years
- Workforce Management Plan	Plan identifying Council's anticipated human resource priorities and activities to meet the goals and targets of the Delivery Program	4 years
Delivery Program	Plan documenting Council activities, projects and initiatives during each Council term, to	4 years

	work towards the long-term goals and targets described in CSP	
Operational Plan	Annual plan programming ongoing activities, projects and initiatives and budget to achieve Delivery Program goals and targets	1 year
Annual Report	Report documenting Council activities in relation to its statutory responsibilities and reporting on progress of projects and initiatives outlined in the Operational Plan	1 year

The following diagram identifies the various components of the IP&R framework and how they are linked to each other.

The Central Darling Shire Operational Plan and Budget

This This Operational Plan and Budget is renewed on an annual basis. It is structurally aligned with the Community Strategic Plan and Delivery Program and should be read in reference to these other plans.

It provides a detailed account of annual actions and planned expenditure that Council will undertake in working towards the long term goals in the Community Strategic Plan.

The Operational Plan also includes a detailed annual budget and financial statements, and an account of Council's fees and charges to be set for the financial year.

Central Darling Shire Council Delivery Program 2022 – 2026

Community priority – Local and regional roads

Our long-term goal for local and regional roads: *Our road network enables safe and reliable access between local and regional population centres.*

Continuing council programs and activities

Program / Activity	Current actions	Responsibility	Performance indicators
Roads maintenance and renewal	<p>Ongoing roads grading, gravel re-sheeting and resealing program within Councils Asset Management Plan</p> <p>Signage maintenance and renewal</p> <p>Maintenance and renewal of culverts and bridges as required</p> <p>Ongoing management of roadside vegetation</p>	Deputy Director Shire Services	Well maintained, functioning road network
Roadside electronic signage	Upgrade and replace electronic signage as required for road conditions and closures	Deputy Director Shire Services	Installation of functioning electronic signs.
Roads Hierarchy	Develop and maintain the Central Darling Shire Roads Hierarchy and Service Levels plan	Director Shire Services	Implementation of a Hierarchy & Service Level Plan

Program / Activity	Current actions	Responsibility	Performance indicators
Sealing of regional roads	In partnership with neighboring councils, advocate for additional funding for the sealing of priority roads throughout the shire and the region according to the Regional Transport Plan such as the Wool Track	Council General Manager	Advocacy for funding with state & federal governments

New initiatives

Initiative	Responsibility	Timeline (FY 23 / 24 / 25 / 26)	Indicators of progress
Identify locations and advocate for funding for initial sealing of unsealed roads throughout the shire	Director Shire Services	FY23 ongoing	Funding and locations identified
Identify and prioritise flood-prone road sections and apply appropriate treatments and improvements	Director Shire Services	FY26	Improvements and treatments applied to flood prone roads.

Community priority – Waste management

Our long-term goal for local landfill sites: *Waste management processes and landfill sites across the Shire are well managed and maintained.*

Continuing council programs and activities

Program / Activity	Current actions	Responsibility	Performance indicators
Waste Services	Delivery of appropriate waste services	Deputy Director Shire Services	Waste services provided
Waste Management Plans	Prepare and maintain management plans for all landfill sites within the shire	Director Shire Services	Implementation of waste management plan. Operate the waste facilities at Wilcannia, White Cliffs, Tilpa, Ivanhoe and Menindee in accordance with the long term plans of management as prepared for each site and deliver the milestones as proposed
WASTE MANAGEMENT PLAN MILESTONES			
<p><u>Ivanhoe</u></p> <p><u>Milestone 1</u> – Re-instate the landfill</p> <ul style="list-style-type: none"> • Re-shape the up gradient catchment to divert surface water away from the landfill • Prepare an evaporation pond or suitable surfer irrigation area and pump leachate from the landfill to the pond or irrigation area • Use an excavator with a long reach, or similar plant to pull back the deposited waste to a concentrated area within the landfill and develop a shape suitable for capping. Council's FEL may be suitable if an excavator is not available. 			

Commented [BS11]: List actions over the next 4 years as per plan

- Track compact the waste and apply the final capping.
- Develop the tipping platform where lifts of placed waste will not exceed 2.0 metres or thereabouts or as required by the Amaral concepts RLs.(Appendix 2)
- Procure and position litter fencing near to the active tipping area
- Continue landfilling until the current excavation achieves the final design landform

Milestone 2 – recommence landfilling at the newly developed active tipping area

- Crush and landfill the existing stockpile of green waste
- Re-establish the green waste stockpile area near to the landfill
- Landfill the existing stockpile of waste concrete
- Provide barricades to control the depositing of waste to ensure materials are confined to the active tipping area
- Push up waste in accordance with the “waste placement technique” (Appendix 4)
- Apply cover routinely from the established stockpile of ENM
- Collect litter regularly where it has accumulated at the litter fencing and place into the landfill

Milestone 3 – prepare an asbestos management policy

- Review the asbestos information currently contained on Council's website
- Develop protocols for advanced notice for the disposal of asbestos
- Train Council staff who may be required to deal with incoming loads of asbestos in the correct management of asbestos

Menindee

Milestone 1 – Prepare the first stage in the new filling area

- Win cover material from the inner side slopes of the perimeter berm and stockpile this material for future use as cover
- Construct a shallow berm on the floor of the new stage that will contain any leachate that may seep from the active tipping area
- Establish litter fencing near to the new active tipping area
- Identify vehicular access to the tipping platform and signpost accordingly
- Develop the tipping platform where lifts of placed waste will not exceed 2.5 metres (Appendix 4)

Milestone 2 – commence landfilling at the new active tipping area

- Crush and landfill the existing stockpile of green waste
- Landfill the existing stockpile of waste concrete
- Expand the void by excavating where the green waste had been stockpiled
- Provide barricades or litter fences to control the depositing of waste to ensure materials are confined to the active tipping area
- Push up waste in accordance with the “waste placement technique” (Appendix 4)
- Apply cover routinely from the established stockpile

Milestone 3 – discontinue landfilling at the current active tipping area.

- Establish barricades to prevent access to the tipping platform from both above and below.
- Cap the existing waste disposal area.
- Collect litter
- Control surface water to manage flows across the adjacent capped landform. This may take the form of shredded green waste berms, silt stop fencing or other suitable means
- Provide signage directing all general waste to the new waste disposal area.

Milestone 4 – prepare an asbestos management policy

- Review the asbestos information currently contained on Council’s website
- Develop protocols for advanced notice for the disposal of asbestos
- Train Council staff who may be required to deal with incoming loads of asbestos in the correct management of asbestos

Wilcannia

Milestone 1 – Complete landfilling of the current general waste disposal area (main void), the minor voids and east/west trenches to achieve the landform design and undertake the final capping.

- Construct vehicular access to the base of the existing excavation (main void)
- Win cover material from the inner side slopes of the excavation and stockpile this material for future use as cover.

- Establish a tipping platform and tipping face at the floor of the excavation.
 - Establish a restricted tipping platform at the top of the excavation
 - Collect litter from about the site and establish litter fences near to the tipping platform at the top of the excavation
 - Place and cover waste in 2 to 2.5 metre lifts at the floor of the excavation until the final height is achieved.
 - Push domestic self haul waste into the excavation from the top tipping platform
 - Once the major void is filled, move landfilling to the minor voids and east/west trenches until the minor voids and trenches have been filled
 - Undertake site testing to determine where future trenching can occur
 - Prepare the first trench for the acceptance of general waste and establish litter fencing and tipping platform
 - Develop suitable vehicular access to the new general waste disposal trench.
 - Apply final capping to the completed general waste disposal areas.
- Milestone 2 – Complete the inert waste disposal area
- Discontinue landfilling inert waste once the design final shape is achieved.
 - Cap the existing inert waste disposal area.
 - Direct all inert waste to the general waste disposal area.
- Milestone 3 – Prepare an asbestos management policy

New initiatives

Initiative	Responsibility	Timeline (FY 23 / 24 / 25 / 26)	Indicators of progress
Identify opportunities and funding for the introduction of local recycling programs	Environmental Engineer	Fy26	Recycling program identified and funding secured

Seek funding for measures to improve waste management in the shire and increase the diversion of waste from landfill	Environmental Engineer	Fy26	Reduction of waste to landfill/per tonne
--	------------------------	------	--

Community priority – Local services

Our long-term goal for local services: *Services provided to local Aboriginal and other communities are designed and delivered based on ongoing engagement and comprehensive understanding of community needs, issues and priorities.*

Continuing council programs and activities

Program / Activity	Current actions	Responsibility	Performance indicators
Infrastructure maintenance and upgrade	Follow current asset management plan	Director Shire Services	Management Plan completed
Asset management	Renewal of assets as per Asset Management Plans	Director Shire Services	Implementation of the asset management plans
Community assets maintenance and renewal	Follow current asset management plan	Deputy Director Shire Services	Community assets maintained
Footpath maintenance and renewal	Follow current asset management plan	Deputy Director Shire Services	Footpaths maintained and safe for community use.
Street lighting program	Identify additional location requirements & black spots	Deputy Director Shire Services	Black spots Identified
Compliance (Ranger Services, Animal Control)	Compliant with all statutory & legislative requirements	Ranger	All statutory & legislative requirements are met.
Plant and equipment	Maintained to a safe standard & in operational condition	Deputy Director Shire Services	Plant & equipment maintained & safe

Commented [BS12]: Do we have a COMPANION Animals PLAN? If not prepare one

Program / Activity	Current actions	Responsibility	Performance indicators
Aerodromes	Maintained to ALA & CASA standards	Deputy Director Shire Services	Compliant to ALA & CASA standards
Stormwater Management	Asset management plan CCTV investigation	Deputy Director Shire Services	CCTV inspection completed.
Infrastructure and service planning	Ensure the planning and provision of services to Central Darling Shire communities reflects current and future community needs	Director Shire Services	Planning & services provided
Public Transport	Advocate for the provision of local and regional public transport servicing all population centres within the shire	Council/ General Manager	Advocate to state government for improved & continued services.

New initiatives

Initiative	Responsibility	Timeline (FY 23 / 24 / 25 / 26)	Indicators of progress
-------------------	-----------------------	--	-------------------------------

Advocate for increased funding to maintain and operate council aerodromes to CASA standards	GM Director Shire Services	FY 24	Funding sourced to maintain aerodromes to CASA standards
---	-------------------------------	-------	--

Commented [BS13]: New point advocate for increased funding to maintain and operate aerodrome's as they provide vital medical retrieval and provision of medical services

RESOURCING – INFRASTRUCTURE AND SERVICES

Projected Income Infrastructure Services 2023-2026

- Water treatment plants upgrade in Wilcannia, Ivanhoe and White Cliffs
- White Cliffs reticulation system renewal
- Roads maintenance and renewal
- Sealing of regional roads
- Infrastructure maintenance and upgrade

Projected Expenditure Infrastructure Services 2023-2026

- Water treatment plants upgrade in Wilcannia, Ivanhoe and White Cliffs
- White Cliffs reticulation system renewal
- Emergency water supply for Tilpa community
- Water supply systems maintenance
- Investigate and improve water security measures for White Cliffs

Operational Plan

2022 - 2023

Statement of Revenue

Overview

The Statement of Revenue details how rates and annual charges are set, as well as fees and charges for use of Council facilities and services.

Ordinary Rates

Ordinary rates contribute to essential services such as the road network, street lighting, street cleaning, footpaths, parks, sport and recreation facilities, environmental planning and conservation, rangers, pest control, town planning and building control, community services, and much more.

The total amount of ordinary rates Council can charge is capped by legislation. For 2023-24, the Independent Pricing and Regulatory Tribunal (IPART) has approved a rate peg increase of 3.7% on this capped amount, which is shared between all ratepayers according to the individual land value and rating category of their property.

Council is compelled, under the Valuation of Land Act 1916, to use the latest valuations when it calculates and levies ordinary rates. Land valuations are determined by the NSW Valuer General (the VG), the independent statutory authority responsible for determining land values in NSW.

The VG has recently revised all valuations in NSW. These revised land values, with a base date of 1 July 2022, will be used to calculate and levy rates for the first time in 2023-24. Whilst individual land values may increase, decrease or remain unchanged, from the values used for rating in previous years, rate pegging means that Council's total rate income doesn't increase due to land valuation increases.

However, properties with a higher-than-average valuation increase will incur rate increases above the rate peg of 3.7%, while properties with lower than average increases will incur less significant increases or reduced rates compared to previous years.

When setting ordinary rates, the Local Government Act 1993 provides Council with a limited range of options to even out changes that result from valuation increases, as set out below;

- Ad Valorem Rate only;
- Ad Valorem Rate which is subject to a minimum amount of the rate; or
- A Base Amount to which an ad valorem amount is added.

All available rate structures are primarily based on the unimproved land value of property. Council may also set different rates for different categories. These methods or structures can be used to move rate burden between different rate payer groups without changing the total amount of rates available to Council. Historically Council has adopted a Base Amount plus Ad Valorem Rate structure. Application of a uniform Base Amount Rate provides for an equal and minimum contribution by all ratepayers to the base costs of running Council.

Categories

In accordance with s 514 of the Local Government Act 1993, all parcels of rateable land in Council's area have been classified into one of the following categories of Ordinary rates:

Farmland s 515 of the Local Government Act 1993

Land is categorised as farmland if it is a parcel of rateable land valued as one assessment where its dominant use is for farming, and which has a significant and substantial commercial purpose or character and is engaged in for the purpose of profit on a continuous or repetitive basis.

Land is not to be categorised as farmland if it is rural residential land.

Residential s 516 of the Local Government Act 1993

Land is categorised as residential if it is a parcel of rateable land valued as one assessment and its dominant use is for residential accommodation or rural residential land or, if it is vacant land, it is zoned or otherwise designated for use under an environmental planning instrument for residential purposes.

Mining s 517 of the Local Government Act 1993

Land is to be categorised as mining if it is a parcel of rateable land valued as one assessment and its dominant use is for a coal mine or metalliferous mine.

Business s 518 of the Local Government Act 1993

Land is to be categorised as business if it cannot be categorised as farmland or residential. Caravan parks and manufactured home communities are to be categorised business.

The categorisation of all rateable land was determined as at 1 January 1994 with the issue of the rate notice in January 1994. New parcels of land created since that date have been categorised with the issue of subsequent rate notices. Where subsequent changes in categorisation have occurred, written notices to this effect have been issued in accordance with s 520 of the Local Government Act 1993.

Ordinary Rates 2023-24

Category	No. of Properties	Base Rate Amount	Base Rate Income	Rateable Land Values	Ad Valorem Rate in \$	Ad Valorem Rate Income	Total Ordinary Rate Income	Base Rate % of Total Income
Farmland	373	\$130.00	\$48,490	\$1,028,511,580	0.000428	\$440,203	\$488,693	10%
Residential	1,051	\$130.00	\$136,630	\$3,554,350	0.066626	\$236,812	\$373,442	37%
Mining	0	\$130.00	\$0	\$0	0.054677	\$0	\$0	0%
Business	134	\$130.00	\$17,420	\$606,580	0.054677	\$33,166	\$50,586	34%
Totals	1,558		\$202,540	\$1,032,672,510		\$710,181	\$912,721	

Annual Charges

In addition to ordinary rates, Council will levy annual charges for the following services in 2023-24:

Domestic waste management services – s496 of the Local Government Act 1993

Waste management services (non-domestic) – s501 of the Local Government Act 1993

Water supply services - s501 of the Local Government Act 1993

Sewerage services - s501 of the Local Government Act 1993

Domestic Waste Management Service Charges

Domestic Waste is defined in the Local Government Act 1993 as “waste on domestic premises of a kind and quantity ordinarily generated on domestic premises and includes waste that may be recycled, but does not include sewage.”

Council levies a domestic waste management service charge on all parcels of rateable land to which a domestic waste management service is available. This charge covers the cost of providing domestic waste collection services, whole of life cost for managing waste including the remediation of landfills.

Section 504 of the Local Government Act 1993 requires that the cost of providing Domestic Waste Management Services must be fully covered by the income derived from charges for these services.

Domestic Waste Service Charges Levied under Section 496 of the Local Government Act 1993	Charge Unit	2022-23 Charge	2023-24 Charge	No. of Properties/ Services	Forecast Income
Domestic Waste Management Availability Charge					
<u>Purpose:</u> Fund waste management facilities to meet potential future demands from vacant land. <u>Applies to:</u> All vacant parcels of rateable land within any of Council's waste collection areas.	Per Property	\$314.00	\$322.00	230	\$74,060
Domestic Waste Management Service					
<u>Purpose:</u> Entitlement to a weekly collection of a 240 litre waste bin & free access to dispose of domestic waste at Council's Waste Management Facility in the town the property is located in. <u>Applies to:</u> All properties within the Ivanhoe, Menindee or Wilcannia Council's waste collection areas, with an approval for a residential building.	Per Property	\$663.00	\$680.00	578	\$393,040
Domestic Waste Management Service – Sunset Strip					
<u>Purpose:</u> Provide Sunset Strip residents with free access to the dispose of domestic waste at the Sunset Strip Waste Management Facility. <u>Applies to:</u> All properties in Sunset Strip with an approval for a residential building.	Per Property	\$80.00	\$82.00	136	\$11,152
Domestic Waste Management Service – White Cliffs					
<u>Purpose:</u> Provide residents of the White Cliffs township with free access to dispose of domestic waste at the White Cliffs Waste Management Facility. <u>Applies to:</u> All properties in the township of White Cliffs with an approval for a residential building.	Per Property	\$66.00	\$68.00	197	\$13,396

Domestic Waste Management – Additional Bin Collection Services					
Purpose: Weekly collection of additional 240 litre waste bin (additional charge per bin). Applies to: All properties within the Wilcannia, Ivanhoe or Menindee Waste Collection areas where an additional Domestic Waste Collection service(s) has/have been requested and provided.	Per Bin	\$663.00	\$680.00	62	\$42,160

Waste Management Charges – Non Domestic

Council levies a Waste Management Charge on all parcels of land from which non-domestic waste is generated. The service is not available for the disposal of industrial waste or hazardous materials.

This charge covers the costs attributable to the collection of non-domestic waste and the whole of life cost for managing non-domestic waste, including the remediation of landfills.

Waste Management Service Charges - Non Domestic Levied under Section 501 of the Local Government Act 1993	Charge Unit	2022-23 Charge	2023-24 Charge	No. of Properties/ Services	Forecast Income
Waste Management Service					
Purpose: Entitlement to a weekly collection of a 240 litre waste bin. Applies to: All properties within any of Council's waste collection areas where a Waste Collection service has been requested and provided.	Per Property	\$663.00	\$680.00	121	\$82,280
Waste Management Additional Bin					
Purpose: Entitlement to a weekly collection of additional 240 litre waste bins. Applies to: All properties within any of Council's waste collection areas where an additional Non Domestic Waste Collection service(s) has/have been requested and provided.	Per Bin	\$663.00	\$680.00	67	\$45,560

Water Supply Charges

In accordance with NSW Government guidelines, Council is required to adopt a pricing policy for water supply services and sewerage services delivery charges. Such a pricing policy requires that the cost of providing services in one area are funded from charges levied for those services in that area.

The price of this service should be set at a rate sufficient to enable the recovery of annual operating and maintenance costs and to enable a contribution to be made towards the cost of replacement of the infrastructure assets utilised in providing the service.

All rateable properties that are connected to, or within 225 metres of, Council's water supply pipe, are subject to an annual water service charge.

Additional charges apply for each kilolitre of water used, as measured by individual water meters with Water Usage accounts issued on a quarterly basis.

Ivanhoe Water Supply Service

The service is provided to supply both filtered and raw water to residents in the township of Ivanhoe and a rural water supply.

Water Service Charges - Ivanhoe					
Service Charge Description	Charge Unit	2022-23 Charge	2023-24 Charge	No. of Services	Forecast Income
Filtered Water Connected	Per Connection	\$300.00	\$308.00	136	\$41,888
Non- Potable/Raw Water Connected	Per Connection	\$503.00	\$516.00	137	\$70,692
Filtered Water Availability	Per Property	\$224.00	\$230.00	40	\$9,200
Non Potable/Raw Water Availability	Per Property	\$224.00	\$230.00	41	\$9,430
Filtered Water Usage	Per Kilolitre (kL)	\$4.08	\$4.18		
Non Potable/Raw Water Usage – Rateable Properties	Per Kilolitre (kL)	\$1.77	\$1.81		
Filtered Water Usage – Metered Non Rateable Properties	Per Kilolitre (kL)	\$4.91	\$5.03		
Non Potable/Raw Water Usage – Metered Non Rateable Properties	Per Kilolitre (kL)	\$4.08	\$4.18		

Wilcannia Water Supply Service

The Service is provided to supply both filtered and raw water to residents in the township of Wilcannia and a rural water supply. Raw water connections to rateable properties are unmetered.

While a number of options are being explored, the current price structure is based on sourcing and treating water from existing bores and the Darling River. In the event of severe water shortage, Rural users will no longer be connected to the town supply until such time as water supply has been increased. Rural users can obtain water by carting from the bore located at Warrawong Farm in Wilcannia.

Water Service Charges - Wilcannia					
Service Charge Description	Charge Unit	2022-23 Charge	2023-24 Charge	No. of Services	Forecast Income
Filtered Water Connected	Per Connection	\$257.00	\$263.00	271	\$71,273
Non- Potable/Raw Water Connected	Per Connection	\$1,011.00	\$1,036.00	250	\$259,000
Filtered Water Availability	Per Property	\$169.00	\$173.00	102	\$17,646
Non Potable/Raw Water Availability	Per Property	\$169.00	\$173.00	104	\$17,992
Filtered Water Usage	Per Kilolitre (kL)	\$3.66	\$3.75		
Non Potable/Raw Water Usage – Rateable Properties	Per Kilolitre (kL)	Not Applicable			
Filtered Water Usage – Metered Non Rateable Properties	Per Kilolitre (kL)	\$3.66	\$3.75		
Non Potable/Raw Water Usage – Metered Non Rateable Properties	Per Kilolitre (kL)	\$3.66	\$3.75		

White Cliffs Water Supply Service

The service is provided to supply non-potable water to residents in the township of White Cliffs.

Council is working towards bringing the White Cliffs water supply up to a potable standard. Should these works be completed in the 2023-24 period, Water Supply Service charges set for non-potable supply will continue to apply for potable supply.

Water Service Charges – White Cliffs					
Service Charge Description	Charge Unit	2022-23 Charge	2023-24 Charge	No. of Services	Forecast Income
Filtered Water Connected	Per Connection	\$974.00	\$998.00		
Non- Potable/Raw Water Connected	Per Connection	\$974.00	\$998.00	169	\$168,662
Filtered Water Availability	Per Property	\$852.00	\$873.00		
Non Potable/Raw Water Availability	Per Property	\$852.00	\$873.00	32	\$27,936
Filtered Water Usage	Per Kilolitre (kL)	\$3.98	\$4.08		
Non Potable/Raw Water Usage – Rateable Properties	Per Kilolitre (kL)	\$3.98	\$4.08		
Filtered Water Usage – Metered Non Rateable Properties	Per Kilolitre (kL)	\$3.98	\$4.08		
Non Potable/Raw Water Usage – Metered Non Rateable Properties	Per Kilolitre (kL)	\$3.98	\$4.08		

Sewerage Services

In accordance with NSW Government guidelines, Council is required to adopt a pricing policy for water supply services and sewerage services delivery charges. Such a pricing policy requires that the cost of providing services in one area are funded from charges levied for those services in that area. Sewerage services are provided by Council only within the township of Wilcannia.

Sewerage Services - Wilcannia

The service is provided as a means of disposing of domestic strength effluent.

Sewerage Service Charges apply to all rateable properties that are either;

- connected to a Council sewer, or;
- within 75 metres of a Council sewer and from which sewage could be discharged to that Council sewer.

Where a property has more than two (2) connections to Council's sewer, additional charges apply for each additional connection.

Service Charge Description	Charge Unit	2022-23 Charge	2023-24 Charge	No. of Services	Forecast Income
Sewerage Service Charge	Per property – up to 2 connections	\$915.00	\$938.00	253	\$237,314
Sewerage Service Additional Charge	Per connection – more than 2 connections	\$315.00	\$323.00	146	\$47,158

Pensioner concessions

Council provides a rate reduction to eligible pensioners under the Local Government Act, of:

50% of the combined Ordinary Rate and Domestic Waste Management Service Charge, to a maximum of \$250 per annum;

- 50% of the Water Service Charge to a maximum of \$87.50 per annum; and
- 50% of the Sewerage Service Charge to a maximum of \$87.50 per annum

Where there is a change in eligibility, concessions are adjusted from the commencement of the quarter following the change in eligibility. The NSW Government subsidises Council for 55% of the cost of pensioner concessions with Council bearing the remaining 45%. The total value of pensioner concessions for 2023-24 will be approximately \$32,500 with the net cost to Council estimated at \$14,600.

Maximum Interest on Overdue Rates and Charges

In accordance with section 566(3) of the Act, it has been resolved by Council that the rate of interest payable on overdue rates and charges for the 2023-24 rating year will be 9% being the maximum rate prescribed by The Independent Pricing and Regulatory Tribunal under the regulations.

Appendix 1**Fees and Charges**

In accordance with Section 608 of the Local Government Act 1993 and other relevant legislation, Council charges and recovers approved fees and charges for any services it provides.

In cases where the amount of fees and charges for service is determined under another Act or regulatory body, Council's policy is not to determine an amount that is inconsistent with the amount determined under the other Act or regulatory body.

All of Council's fees and charges not subject to statutory control are reviewed on an annual basis prior to finalisation of Council's annual operational budget. In special circumstances, fees and
