Central Darling Shire Council is pleased to advise that the Victory Caravan Park in Wilcannia is now open for business. It comes after the completion of a major improvements project.

Visitors to the Victory Caravan Park will now be able to enjoy new and modern facilities following major works valued at close to \$500,000.

The improvements include a new amenities block, upgrades to the electrical, water and sewerage systems.

The Commonwealth Government's Murray Darling Basin Economic Development Program has been the primary funding source for the project.
